Unless set forth below, all previous Items set forth in the Initial Schedule 13D are unchanged. All capitalized terms used herein that are not defined herein have the meanings for such terms set forth in the Initial Schedule 13D.

The principal executive offices of the Issuer are located at Hanwha Building, 86 Cheonggyecheon-ro, Jung-gu, Seoul, Korea.

ITEM 4. Purpose of Transaction.

The disclosure in Item 4 of the Initial Schedule 13D is hereby amended and supplemented by adding the following at the end thereof:

On August 2, 2018, Hanwha Solar Holdings Co., Ltd. (the "Buyer") submitted a non-binding proposal (the "Proposal") to the board of directors of the Issuer in connection with the proposed acquisition of all of the Publicly Held Shares in a short-form statutory merger of the Issuer with the Buyer in accordance with the Cayman Islands law for cash consideration equal to US\$0.18 per Share, or US\$9.00 per American Depositary Share (the "Proposed Transaction"). The Buyer also stated in the Proposal that they are interested only in acquiring the Publicly Held Shares, and that they do not intend to sell their stake in the Issuer to a third party.

The Proposal is subject to a number of conditions, including, among other things, the negotiation and execution of definitive agreements mutually acceptable in form and substance to the Issuer and the Buyer. Neither the Issuer nor the Buyer is obligated to complete the Proposed Transaction, and a binding commitment with respect to the Proposed Transaction will result only from the execution of definitive documents, and then will be on the terms provided in such documentation.

If the Proposed Transaction is completed, the Shares would be delisted from the NASDAQ Global Select Market, and the Issuer's obligation to file periodic reports under the Exchange Act would terminate. In addition, consummation of the Proposed Transaction could result in one or more of the actions specified in clauses (a)-(j) of Item 4 of Schedule 13D, including the acquisition or disposition of securities of the Issuer, a merger or other extraordinary transaction involving the Issuer, a change to the board of directors of the Issuer (as the surviving company in the merger), and a change in the Issuer's memorandum and articles of association to reflect that the Issuer would become a privately held company.

Other than as described above, none of the Reporting Persons currently has any plans or proposals that relate to, or would result in, any of the matters listed in Items 4(a)-(j) of Schedule 13D, although the Reporting Persons may, at any time and from time to time, review or reconsider their position and/or change their purpose and/or formulate plans or proposals with respect thereto. As a result of these activities, one or more of the Reporting Persons may suggest or take a position with respect to potential changes in the operations, management, or capital structure of the Issuer as a means of enhancing shareholder value. Such suggestions or positions may include one or more plans or proposals that relate to or would result in any of the actions required to be reported herein, including, without limitation, such matters as acquiring additional securities of the Issuer or disposing of securities of the Issuer; entering into an extraordinary corporate transaction such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries; selling or transferring a material amount of assets of the Issuer or any of its subsidiaries; changing the present board of directors or management of the Issuer, including changing the number or term of directors or filling any existing vacancies on the board of directors of the Issuer; materially changing the present capitalization or dividend policy of the Issuer; materially changing the Issuer's business or corporate structure; changing the Issuer's certificate of incorporation, bylaws or instruments corresponding thereto or taking other actions which may impede the acquisition of control of the Issuer by any person; causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; causing a class of equity securities of the Issuer to become eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Act; and taking any action similar to any of those enumerated above.

The description of the Proposal in this Item 4 is qualified in its entirety by reference to the complete text of the Proposal, which has been filed as Exhibit 99.1 to this statement and which is incorporated herein by reference in its entirety.

ITEM 5. Interest in Securities of the Issuer.

The disclosure in Item 5 of the Initial Schedule 13D is hereby amended and restated in its entirety as follows:

(a) As of the date hereof, Hanwha beneficially owns 3,910,394,778 Ordinary Shares, which includes (i) 3,903,989,723 Ordinary Shares and (ii) 128,101 ADSs (representing 6,405,050 Ordinary Shares) representing approximately 94.0% of all of the issued and outstanding Ordinary Shares. Hanwha is a wholly-owned subsidiary of Hanwha Chemical and Hanwha Chemical may therefore be deemed to be the beneficial owner of the 3,910,394,778 Ordinary Shares owned by Hanwha. Hanwha Corporation together with its affiliates hold approximately 36.30% of the issued and outstanding shares of Hanwha Chemical and Hanwha Corporation may therefore be deemed to be the beneficial owner of the 3,910,394,778 Ordinary Shares owned by Hanwha. Mr. Seung-Youn Kim, a representative director and executive officer of Hanwha Chemical and Hanwha Corporation, together with his affiliates hold approximately 36.07% of the issued and outstanding shares of Hanwha Corporation and Mr. Seung-Youn Kim may therefore be deemed to be the beneficial owner of the 3,910,394,778 Ordinary Shares owned by Hanwha.

For purposes of this Schedule 13D, the Reporting Persons based the number of outstanding Ordinary Shares on an aggregate of 4,162,038,802 Ordinary Shares outstanding as of March 31, 2018 as reported in the Annual Report. This number excluded (a) the 10,136 ADSs (representing 506,800 Option Reserve Shares) and (b) the 20,062,348 Loaned Shares which were cancelled by the Issuer on July 23, 2018 and no longer outstanding. According to the Annual Report, the Issuer excluded those shares from the number of Ordinary Share equivalents deemed outstanding and stated that as it did not believe that they will increase the number of Ordinary Shares considered outstanding for the purpose of calculating beneficial ownership. Accordingly, the Reporting Persons have excluded the Option Reserve Shares from the number of outstanding Ordinary Shares for purposes of calculating and reporting the Reporting Persons' beneficial ownership in this Schedule 13D. The Issuer's total outstanding Ordinary Shares would have been 4,162,545,602 if the 506,800 Option Reserve Shares were included in the calculation of beneficial ownership. Inclusion or exclusion of the Option Reserve Shares would not materially change the Reporting Persons' beneficial ownership percentage. In the case of inclusion of the Option Reserve Shares for purposes of calculating beneficial ownership, the Reporting Persons' beneficial ownership percentage would be approximately 93.9%.

August 2, 2018

The Board of Directors
Hanwha Q CELLS Co., Ltd. (the "Company")
Hanwha Building,
86 Cheonggyecheon-ro,
Jung-gu, Seoul, Korea

Dear Sirs:

We, Hanwha Solar Holdings Co., Ltd. (the "Buyer"), are pleased to submit this preliminary non-binding proposal to the board of the directors of the Company (the "Board") to acquire all of the outstanding ordinary shares ("Shares") of the Company not already owned by us in a going-private transaction pursuant to the provisions of Part XVI of the Companies Law (as amended) of the Cayman Islands (the "Transaction"). The Buyer currently beneficially owns approximately 94.0% of the Shares of the Company.

We believe that our proposal of US\$0.18 in cash per Share, or US\$9.00 in cash per American Depositary Share of the Company ("ADS", each representing 50 Shares), will provide a very attractive opportunity to the Company's shareholders. This purchase price represents a premium of approximately 35.7% to the Company's closing price on August 1, 2018.

The preliminary terms and conditions upon which we are prepared to pursue the Transaction are set forth below. We are confident in our ability to consummate the Transaction as outlined in this letter.

1. Transaction. The Transaction will be in the form of a short-form statutory merger of the Company with the Buyer in accordance with section 233 of the Companies Law (as amended) of the Cayman Islands. Pursuant to section 233(7) of the Companies Law (as amended) of the Cayman Islands, a short-form statutory merger refers to the merger of a parent company with one or more of its subsidiaries to form a single surviving company.
 2. Purchase Price. Our proposed consideration payable for the Shares acquired in the Transaction will be US\$0.18 per Share, or US\$9.00 per ADS, in cash.
 3. Financing. We intend to finance the Transaction with cash contributions or a shareholder loan from our parent company, Hanwha Chemical Corporation. We expect definitive commitments for the required funding, subject to terms and conditions set forth therein, to be in place when Definitive Agreement (as defined below) are signed. We are confident that we can timely secure adequate financing to consummate the Transaction.
 4. Due Diligence. Given our existing ownership interest, our own due diligence will be done in an efficient manner. We have appointed Citigroup Global Markets Korea
-

Securities Limited as our financial advisor and Cleary Gottlieb Steen & Hamilton LLP as our U.S. legal counsel and Walkers as our Cayman Islands legal counsel to assist us with the due diligence.

5. Definitive Agreements. We are prepared to negotiate and finalize definitive agreements (the “Definitive Agreements”) expeditiously. This proposal is subject to execution of the Definitive Agreements. Given that the Transaction will be implemented in a short-form merger, we expect the Definitive Agreements to be straight forward.
6. Confidentiality. We will, as required by law, promptly file an amendment to our Schedule 13D to disclose this letter. We are sure you will agree with us that it is in both of our interests to ensure that we proceed our discussions relating to the Transaction in a confidential manner, unless otherwise required by law, until we have executed the Definitive Agreements or terminated our discussions.
7. Process. We believe that the Transaction will provide superior value to the Company’s shareholders as compared to remaining a publicly traded company. We understand that a written merger plan will need to be approved by the boards of directors of the Buyer and the Company under section 233 of the Companies Law (as amended) of the Cayman Islands. In addition, we understand that the Transaction will need to be approved by a majority of the independent directors of the Company under the terms of the Shareholder Agreement dated as of December 8, 2014 between the Company and the Buyer. As such, it is our expectation that the Board will appoint a special committee of independent directors to consider this proposal and make a recommendation to the Board based on its independent evaluation of our proposal. Once the Board approves the Transaction based on the recommendation of the independent directors of the Company, we expect to consummate the Transaction after delivering the required disclosure documents (including the written merger plan) to the shareholders. In considering the proposed Transaction, you should be aware that we are interested only in acquiring the outstanding Shares we do not already own, and that we do not intend to sell our stake in the Company to a third party.
8. No Binding Commitment. This letter constitutes only a preliminary indication of our interest, and does not constitute any binding commitment with respect to the Transaction. Such a commitment will result only from the execution of Definitive Agreements, and then will be on the terms provided in such documentation.

In closing, we would like to express our commitment to working together with you to bring this Transaction to a successful and timely conclusion. Should you have any questions regarding this proposal, please do not hesitate to contact us. We look forward to speaking with you.

Sincerely,

Hanwha Solar Holdings Co., Ltd.
