### Solarfun Announces Pricing of Initial Public Offering of Its American Depositary Shares

**Shanghai, China (December 20, 2006)** — Solarfun Power Holdings Co., Ltd. (NASDAQ:SOLF), an established manufacturer of both photovoltaic, or PV, cells and PV modules in China, announced the pricing of its initial public offering of American Depositary Shares (ADSs) at a price to the public of US\$12.50 per ADS. Each ADS represents five ordinary shares, par value US\$0.0001 per share, of Solarfun. The ADSs are being listed on the NASDAQ Global Market of the NASDAQ Stock Market, Inc. under the ticker symbol "SOLF".

The offering consists of 12,000,000 ADSs to be issued by Solarfun. To the extent that the underwriters sell more than 12,000,000 ADSs, the underwriters have an option to purchase up to an additional 1,800,000 ADSs from the selling shareholders.

Solarfun expects to use most of the net proceeds from this offering to purchase or prepay for raw materials, expand manufacturing capacity, and invest in research and development activities. The remaining proceeds will be used for general corporate purposes and for potential acquisitions of, or investments in, businesses and technologies that Solarfun believes will complement Solarfun's current operations and expansion strategies. Solarfun will not receive any of the proceeds from the sale of the ADSs by any of the selling shareholders.

Goldman Sachs (Asia) L.L.C. is the sole bookrunner of the offering. The offering of the securities is made only by means of a prospectus, copies of which, when available, may be obtained from Goldman, Sachs & Co., c/o Prospectus Department, 85 Broad Street, New York, NY 10004, fax number: 212-902-9316, email: [prospectus-ny@ny.email.gs.com](mailto:prospectus-ny@ny.email.gs.com).

The United States Securities and Exchange Commission declared Solarfun's registration statement relating to these securities to be effective. This news release shall not constitute an offer to sell or a solicitation of an offer to buy any securities, nor shall there be any sale of these securities in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities law of any such state or jurisdiction.
